- Hike
- High/Low Ropes
- Rock Wall/Mini Hike

**Night Programs:**

- Night Snorkel
- Marine Mammals
- Deep Sea
- Squid Dissection
- Discovering Sharks
- Environmental Awareness
- Campfire (School Led)
- Night Rock Wall
Due to the logistics of ordering food on the island, it is difficult for the chef to accommodate last-minute dietary needs (i.e., life-threatening allergies such as airborne peanut, seafood, etc...) upon the school’s arrival. Please assist us by obtaining the information below. The Student Health Forms should be consulted for food allergies. Please collect these at an early date so that you will have the appropriate information. The Assistant Program Director will call one week prior your departure for this information. We can offer no assurance after this time. If a student’s condition is relatively complex, please have a parent call/email us.

- Number of vegetarians
- Number of vegans
- Number of gluten-free
- Number of non-dairy, lactose intolerant students
- Dietary allergies (peanuts, eggs, etc.):

Birthdays while at camp: ________________

- Sack lunches provided on the day of departure.
- NOTE:
  Please discourage extra snack foods as they usually go to waste or get eaten by the native fauna of our island. Saltines and anti-sea sickness foods are a wise choice for the boat trip over and back.

MEDICAL INFORMATION:
Please double-check to ensure students have all necessary prescriptions with them!
If this is your first visit and you have any concerns about a student’s condition, please call the CIMI Program Office for assistance.

- Student Health Forms
- Parents signed the bottom
- Asthmatics - All students with asthma must bring inhalers
- Fatal Allergies (bee stings, peanuts, poison oak, etc.):
- Inhalers: _____________________________
- EpiPens: _____________________________
- Diabetic (may bring snacks): ________________
- Wheelchairs: ___________________________
- Broken Bones: __________________________
- Other: _________________________________

FINAL REVIEW:

- Chaperones need to be active participants in all activities including snorkeling, kayaking and hiking.
- Remember to divide the groups and do cabin assignments before arriving at Fox Landing.
- Students should know group and cabin assignments prior to arrival. A list of these details should be given to your group’s personal Program Coordinator (PC).
- Chaperones are responsible for students during free time
- Chaperones have access to a phone in first aid for contacting schools or in case of emergency.

REMEMBER! Asthmatic students with an Inhaler prescription will not be allowed to participate without an Inhaler. You will be responsible for coordinating with parents, doctors, and pharmacists to get inhalers/epipens to the island. Do not forget to double check – this can be a life & death issue.
